EXPERT'S VIEW

"M/Y ANJELIF, the brand-new, fully custom hybrid 50M Columbus, blends innovation with sophistication. Featuring hybrid propulsion and a Green Certificate for reduced emissions, it showcases a sleek, muscular exterior design, spacious outdoor areas with a heated pool, a Jacuzzi, and a beach club. The open-air cinema on the bow doubles as a dance floor, adding to its allure. With flexible accommodation for 11 guests in 5 spacious cabins, including the Principal's quarters on the main deck, ANJELIF is the perfect choice for those seeking sustainable elegance at sea."

The Owner decided to donate a portion of the charter revenue to the MEDIALTHEA charity association, which supports and cares for children and young people around the world through significant international partnerships.
