The FP40 sets the benchmark for this range of catamarans. While honoring the spirit of its predecessor, the Lucia 40, this new 40-foot catamaran embodies the latest innovations of Fountaine Pajot. The Isla 40 is a compact, but roomy for her class, version of her bigger sisters.

Her innovative saloon design with the nav desk adjacent to the entrance brings vibes of relaxation and not a care in the world.

Flexibility in layouts is superb to match your cruising, liveaboard, or yacht charter business needs and desires.
