This Bali 4.8, HAPPY 50 is the most spacious catamaran available for charter in Hong Kong.

Recognized innovations such as the rigid forward cockpit with lounge area and sunbathing area; the platform linking the two sugarscoops with large bench seat and lockers; the large tilt and-turn door and sliding windows; and a panoramic relaxation area on the coachroof, the BALI 4.8 offers access to the forward cockpit by an interior door and cabins by panels opening onto the aft cockpit, and a 6 cabin / 6 bathroom version unheard of on a 48 footer.
