- 
- Extra fuel charge
  - Sai Kung: 5,000 HKD
  - Tai Long Wan: 8,000 HKD

*The Tecnomar 55 Evo has plenty of large areas all dedicated to the pleasure of navigation, relax and sunbathing. The deck forward is fulfilled with cushions and it gives a sunbathing area normally on much bigger yachts. The all design is stunning and never seen before.*

*The Evo 55 design will be always well recognizable and will set a new trend within this sector; the exterior design almost breaks with anything you may have seen before, with large use of LED lights throughout the length of the yacht, following the new automotive logics; this almost creates an art work at night.*

*This 2019 Tecnomar 55 Evo is well presented for charter. And a great yacht for those planning some amazing boating and beyond. Her specification includes twin Volvo IPS 950 engines, big elegance lounge in the lower deck instead of cabins, etc. She has a comfortable cruising speed of 25-30 knots and a max speed of 38 knots. Two big sun lounging area on the main deck, perfect for day cruising.*
